Dr Stya Paul

(October 4, 1919 – June 7, 2010)

Founder Chairman
Apeejay Stya Group &
Apeejay Education Society

Founder Chancellor
Apeejay Stya University

ABOUT THE FOUNDER CHAIRMAN

“Apeejay Stya institutions are dedicated to giving society intelligent, informed, socially responsible and well-rounded citizens by imparting all-round quality education to them, early in life.”

Dr Stya Paul, eminent industrialist, educationist, philanthropist and freedom fighter provided the foundation and inspiration for the emergence of the Apeejay Stya Group and the Apeejay Education Society as trusted symbols of quality and excellence in the country's industrial and educational landscape.

A pioneering entrepreneur with a far-sighted vision of the future, Dr Stya Paul was instrumental in the rise of the Apeejay Group as one of the biggest industrial houses of independent India and was a leading architect of the country's emergence as a self-reliant industrial superpower. As Chairman Emeritus, he guided the Apeejay Stya Group, a privately and closely-held leading Indian Industrial and Investment House, to become one of the major corporate houses of the country, with several alliances, collaborations and significant presence in Europe, Middle East and East Asia.

Dr Stya Paul, fondly called *Sethji*, recognised the great role that industry could play in providing quality education. Towards this objective, he decided to set up not-for-profit educational institutions across the country where scientific and career-building knowledge could be provided along with inculcation of values and an appreciation of Indian culture, arts and heritage. Starting with a small school in Jalandhar in 1968, all the schools and institutions of higher learning established by him over five decades under the aegis of the Apeejay Education Society have flowered to become symbols of excellence in their various disciplines, moulding the lives and careers of future generations of the country.

The year 2010 also saw the realization of Dr Stya Paul's life time dream of setting up the Apeejay Stya University – a seat of global learning established to bring about transformation of society through value based education, man-making and nation-building. His vision of excellence for the University is being carried forward by his daughter and only child, Mrs Sushma Paul Berlia, the Co-Founder and Chancellor of the Apeejay Stya University, Chairman, Apeejay Education Society and President, Apeejay Stya & Svrán Group.

During his long and illustrious career, Dr Stya Paul was actively associated with several social, cultural and professional bodies and held responsible positions reflecting his versatility, leadership and standing in industry and social circles. His philanthropy and generosity knew no bounds, and throughout his life, he helped the physically-handicapped and the needy with financial assistance and educational/vocational opportunities, thus enabling them to join the mainstream. Over the years, numerous awards and accolades were bestowed upon him, in a life richly lived and full of sharing & caring.

A true Karmayogi, Dr Stya Paul retained his zeal for hard work even in his advanced age and remained keenly involved in the management of the Apeejay institutions well into his nineties. Active till the very end, he departed from this world peacefully on June 7, 2010 while preparing to leave for office. But his life's work and achievements, and the lasting legacy of excellence that he has left behind, will continue to inspire & guide us in all our endeavours.

Mrs Sushma Paul Berlia

Chairperson
Apeejay Education Society

Co-Founder & Chancellor
Apeejay Styra University

CHAIRPERSON'S MESSAGE

Apeejay is synonymous with quality education leading to man-making and nation building. In more than 50 years of its existence, Apeejay has nurtured and shaped talent of young minds right from the formative years in school to post-graduate levels through its 24 educational institutions of excellence.

As the world has transformed into a global village and with the advent of internet, future managers will be working in an uncertain and competitive environment. The young aspiring managers have to be prepared for the 21st Century challenges and take advantage of international opportunities. The need of the

hour is to develop a competitive edge with global perspective. A business program that is not fully tuned to the ever changing needs of the industry would no longer serve its purpose.

With this in mind, the Apeejay School of Management (ASM) has incorporated the latest trends in course design and teaching methodology, continuously upgrading the syllabi in tune with industry requirements and developments in Management Sciences.

PGDM program at ASM provides 10-12 weeks' summer internship with leading companies. Also, there is a final year research project. Both the internship & research projects are geared towards facilitating seamless industry interface & interaction.

With excellent feedback from industry leaders, ASM endeavours to continue in its quest for excellence with continuous improvements in all facets of quality Management Education.

About Our Leader

Under the able leadership of Mrs Sushma Paul Berlia, Chairperson, Apeejay Education Society and Chancellor, Apeejay Stya University, the Group has achieved many milestones. MESSAGE FROM THE EXECUTIVE DIRECTOR

There are many advantages of India being a global economy. One amongst the several best advantages is that today we find plenty of international brands establishing themselves in India & vice versa. With the advent of technology, today, virtual reach to the other parts of the world has become easy. This has enabled a high level of competition. Today, when so many rapid changes are going on, the young leaders are required to be more qualified, versatile, technology friendly, ever updating and at par with global standards. To prepare leaders who can stand out at global platforms one has to follow global standards.

Our programs encompass a unique pedagogy and industry-centric curriculum that adheres to global standards of learning. A state-of-the-art infrastructure & distinguished faculty ensures that our students are well placed. This is borne out by our illustrious alumni & global placements.

The faculty members of ASM have rich industry experience and they are able to provide practical learning to students. Extensive number of corporate professionals visit for classroom sessions annually. In your journey at ASM you will experience many challenging situations, intentionally created, which would mould you into a perfect industry ready professional. Both these experiences are going to be ever cherishing and will definitely provide you with greater confidence of facing every challenge in your life.

Recently, we have celebrated ASM's silver jubilee and the golden jubilee of the Apeejay Education Society under which it operates. Our illustrious past notwithstanding, we don't believe in sitting on our laurels. We keep on striving to better ourselves to soar higher & higher.

With this commitment, I would like to invite you to join this more than 25 year old young wagon & demonstrate to the world that you have unlimited potential. You have the capacity to create your own success story.

Best Wishes,

O.P. Khanduja
Executive Director

FROM THE DIRECTOR'S DESK

The Apeejay School of Management, ranked 10th among private institutes in India and overall rank of 19th as per Times B-School Ranking 2020, is one of the premier business schools in India and is well known for excellence in quality management education for more than 25 years now. Excellence is also reflected in our ratings & rankings which have gone up in the last B-school surveys. We are proud of ASM which is an Institute with several distinctive features.

Over a span of more than 25 years, ASM has carved out a niche for itself in the corporate and academic circles and is ranked high among the top management institutions in India.

Our teaching is strategically focused towards preparing young managers:

- For a rational approach, a creative mind, a global outlook and a desire to undertake ethical actions
- To imbibe the spirit of mutual trust, solidarity and respect
- To respect social ethics and moral values so that they evolve into excellent human beings and responsible citizens

We have outstanding faculty members with the rich blend of industry and academic experience. At Apeejay School of Management, our students go through a unique inspirational transformation to become effective leaders. Our close links with industry give them ample opportunities to apply the acquired skills. All this takes place in an aesthetically integrated campus, combining scenic charm with state-of-the-art facilities.

We take pride in what we have achieved and look forward to the future with optimism and confidence.

We are continuously learning and evolving.

The Institute organised a Blood Donation Camp on 4th October 2019, in collaboration with the Rotary Blood Bank (Tuglakabad) on the Founder's Day to celebrate the birth anniversary of beloved Dr Stya Paul, Founder Chairman of the Apeejay Education Society. Dr Amit Kumar Singh gave a motivational talk to the students, faculty and staff on the occasion. A brief documentary film on the need to donate blood was also screened. Fifty units of blood were donated by the faculty, staff and students for this noble cause.

Mini Marathon – '*Hum Veer Hain*'

As in the past years, a mini-marathon was organised with the theme '*Hum Veer Hain*' on 28th October 2018. The awareness run sought to instill the spirit of going beyond the call of duty and investing oneself for growth and advancement of our nation. Mr Anto Alphonse, Dy. Commissioner of Police, Dwarka District flagged off the race and appreciated the ASM's efforts towards mobilizing support for '*Hum Veer Hain*' campaign and creating a society where citizens contribute to the progress of our society.

‘We Care’ Film Festival

The Institute, along with Apeejay Institute of Mass Communication, organises ‘We Care Film Festival’ to raise awareness about disability and the role of media in reporting the same. The festival is organised in association with the internationally recognised NGO ‘Brotherhood’ and with the support of UNESCO and UN Information Centre. In 2019, for the 11th consecutive year, the three-day event was organised during the month of November. The festival showcases a number of national & international award winning films and documentaries on diverse themes revolving around disability and receives widespread participation from students of various schools and universities across NCR. Special performances by differently-abled students from Punerutthan Trust (NGO), Deep Blind Welfare Association and Ashish Foundation were also showcased. A fashion show that was driven by specially-abled students, who confidently took the stage and walked the ramp, was wonderfully received by the audiences.

Godhuli - Home for the Aged

In an endeavour to sensitise the students towards senior citizens and their needs, the Institute periodically arranges student interactions with Godhuli - Home for the Aged. The students spend quality time and interact with the inmates. They also present cultural and entertainment programs for the seniors.

CORPORATE PLACEMENTS

The Institute has achieved excellent placement results during the 25+ years of its operations. Our alumni are placed across different industries such as FMCG, banking & financial services, telecom, supply chain management, advertising and branding media, HR Consulting, etc.

The Institute has earned the reputation of developing leaders with global outlook and high competence. Through a stringent selection process, it picks up students with a drive to succeed, a high level of integrity, a sense of purpose, a strong sense of ethics, pro-activeness, and adaptability to change.

INDUSTRY-WISE REPRESENTATION

of PGDM Placement Data (2017-19)

ALUMNI NETWORK

With the firm belief in 'harnessing relationships', the alumni network strives to build stronger fellowship.

An active alumni network helps to reconnect with alma mater. It supports various activities, especially in corporate interface and brand building of the institution. ASM maintains an active database of the alumni and organises regular meetings & events, which provide linkage between the participants & the industry.

The alumni network is a perfect platform for former students of the institution to share their experiences and talk about new opportunities in the corporate world. It plays an active role in placements, both in terms of bringing in new companies in the campus and providing inputs in terms of skill-building.

ILLUSTRIOUS ALUMNI

ASM has a rich network of alumni spread all over the world. A number of alumni of the Institute are leading teams, projects and organisations. They contribute profusely towards adding value to the campus life by their active support in curriculum review, admission process, mentoring, summer internships, placements, seminars and conferences, etc. They are also part of the larger alumni network of Apeejay Education Society having over 50,000 members.

LEARNING & PEDAGOGY

Learning Environment

Pedagogy at ASM is designed with the objective of widening the horizon, streamlining intellect and mentoring the students to become rational decision makers.

Contextual learning is facilitated with the help of extensive industry projects, role-plays, Management games and case studies to connect knowledge with current business practices. The PGDM programs focus on contemporary issues facing the industry and hence industry visits & guest lectures by eminent business personalities are an integral part of the curriculum.

The programs are offered in six academic trimesters including compulsory summer training after completion of first year. The first year of the programs contain essential elements of the core functional areas of Business Management. The second year introduces the participants to courses from specialised areas. The academic content has been developed keeping in mind current industry requirements. The courses and credits are continuously restructured to make them contemporary to the changing scenario in Management education.

Special attention is given to developing communication skills as well as strengthening cognitive skills covering a wide section of operations. These are done through special skill development workshops on attitudes, language, culture and inter-personal relationships. Theatre techniques, especially role-plays, are regularly used to create real-time corporate situations and students are trained to take effective managerial decisions.

Pedagogy

ASM has an integrative pedagogy which is in line with its mission of creating globally competent, socially sensitive and ethically sound business leaders. The classroom lectures are supplemented by learning interventions such as projects, group assignments, case discussions, role plays, management games, simulations, industry visits, port visits, summer internships, etc. Teaching learning process at ASM is student-centric.

Both teachers and students have access to international cases as well as research papers from Proquest, Emerald, 24X7 e-books database and Harvard Business School Publishing subscription. The students are constantly exposed to civic engagement projects, community outreach programs and Academic Club activities so as to enable them to blend theory and practice.

Classroom Sessions

At ASM, each day is a learning experience. The classroom sessions are interactive. Students grasp fundamental concepts and techniques through lectures and presentations, thereby, developing the base for cases, role-plays, projects, and discussions on contemporary issues. Such discussions form an integral part of the learning process which help the participants to develop assertiveness and sensitivity to others viewpoints.

Mentoring & Professional Development

The Institute has a mentoring system which seeks to create a learning partnership between mentor and mentee, aimed at building the capacity of the mentee and also guiding the mentee in areas which may accelerate the professional growth of the individual.

Online Learning System

ASM strongly believes that incorporation of technology increases the efficiency of the teaching-learning process. The Institute has its own online learning system, i.e. Moodle. The students are required to register for access to the class notes, hand-outs, attendance, etc.

Student Assessment

The academic progress of students is reviewed regularly to ensure the accomplishment of program learning objectives. In case the performance of any student is not found satisfactory, the management & faculty of ASM provide necessary counseling and guidance to the student.

Adhering to its culture of continuous assessment, the students are evaluated not only during the middle and end of a trimester but also during the entire session. Methods like case discussions, projects, class presentations, quizzes, assignments, simulation, online tests, etc. are used to evaluate a student. However, the purpose of using the mode of assessment may vary depending upon the learning outcomes that are being assessed. For instance, presentation skills of a student may be assessed by the content and delivery of a PowerPoint presentation; decision making skills may be assessed during case discussions, projects, etc.

Every course assures certain learning outcome, which is mentioned in its Course Outcome (CO). COs of all courses together help achieve the Program Outcome (PO). A faculty ensures that the COs are achieved at the end of every course. These are assessed by various tools like cases, management games, mid-term exam, end-term exam, presentation, etc.

STUDENT LIFE AT ASM

Skill Development Cell

At ASM, special emphasis is laid on the overall personality development of the students. For this purpose, Skill Development Cell trains students in communication skills, presentation skills, business writing and conversations, conflict management, negotiation skills, selling skills, motivation, business etiquettes, facing interviews, group discussions, telephone and email etiquettes, etc. Special stress is placed on enhancing team building skills of students through various group activities. Apart from this, at ASM, we conduct FAB (Friday Action Button) wherein lectures, seminars, workshops and several other activities are conducted to give corporate exposure to the student.

Cultural Activities

Cultural activities are an integral part of the all-round development of the student. Students and faculty together organise and enjoy various festivals and cultural events at ASM. The annual inter-college management and cultural festival 'Synergy' provides students a platform to express themselves, interact with other young minds and exchange ideas through a series of thought provoking and stimulating activities. Various activities and events such as dance, singing creative writing, bulls and bears, street play, Ad Mad show, dumb charades, etc. are organised as part of the cultural festival. Students from various institutes in and around Delhi participate to showcase their talents and skills.

Inter-College Activities

Our students have been participating in various activities, competitions and events held by other Management institutes. This provides our students a platform to understand and appreciate different perspectives and methodologies from different business schools. Our students have done us proud by winning awards in competitions such as quizzes, case study presentations, etc.

Clubs and Committees

Students clubs and committees are formed to provide them an opportunity to manage roles and responsibilities. These clubs are a critical component of the learning environment at ASM. Students play a major role in various social and cultural activities and are even part of placement process.

Marketing Club

The Marketing Club is responsible for arranging live projects for students and organising student activities, besides organising industry student interaction sessions. The Club organises various events and activities such as Brand Quiz, Ad Mad Show-the advertising competition, LOGO Competition, etc.

HR Club

The HR Club aims at keeping students abreast with latest developments in the HR world. Students also get enrolled as members of national HRD Network, an association of committed professionals for promoting HRD movement in the country. Besides inviting regular HR professionals from the industry, the Club helps students undertake live projects with HR Industry mentors.

Finance Club

The Finance Club provides glimpses of the exciting financial world, beyond textbooks. For this, the Club organises regular sessions on diverse contemporary topics such as latest mergers, amalgamations and takeovers, movements in stock markets, policy analysis, etc., besides organising regular industry interaction sessions for the students.

Operations Club

The Operations Club bridges the gap between classroom teaching and practical application in various field of operations such as operations management, operations strategy, project management, quality management, logistics and supply chain planning, operations analytics, etc. through workshops, case competitions, quizzes, live projects, industry visits and conferences.

Entrepreneurship Development Cell

The students at ASM are encouraged to take up entrepreneurship as a career option. They are encouraged to take up entrepreneurial projects and work towards its implementation. The Institute has ventured in the field of entrepreneurship development and conducted various activities throughout the year. Many training programs along with experiential learning are conducted by Entrepreneurship Cell in order to develop successful entrepreneurs.

Zero Tolerance to Ragging

As per the Supreme Court judgements, ragging is a heinous crime, hence, its practice in any form is strictly prohibited in the Institute premises. Any student found guilty of participating/encouraging ragging within the premises would face the severest disciplinary action. The Director may, at his discretion, expel such students from the Institute.

Anti Ragging Committee as well as Internal Complaints Committee have been constituted to protect the interest of the students. Every admitted student has to submit an affidavit regarding compliance to anti ragging norms set by the Supreme Court at the time of commencement of the program.

Student Conduct and Discipline

- Conduct of students in the classrooms as well as within the premises of the Institute should be conducive to the academic environment. If any student is found deficient in conduct on any parameter, the Institute reserves the right to call him or her for explanation. In the event of the explanation not being found satisfactory, and depending on the severity of the case, the student may be suspended or expelled.
- Students must take proper care of the Institute property, fittings, fixtures, equipment, etc. provided as modern teaching aids and must prevent their misuse, mishandling, etc. Any damage done to the Institute property will have to be indemnified (compensated) by the student (s) concerned.
- Students will have to abide by all the rules of conduct and discipline as given in the student handbook and other rules/instructions released from time to time.

ELIGIBILITY REQUIREMENT AND ADMISSION PROCEDURE

Eligibility requirement and admission procedure for PGDM and PGDM-Marketing (including Foreign Nationals/Persons of Indian Origin (PIO)/Children of Indian Workers in Gulf Countries for PGDM.)

Eligibility Requirements

Bachelor's Degree or equivalent (10+2+3) in any discipline with minimum 50% aggregate marks from a recognised Indian or foreign university. Candidates in their final year of Bachelor's degree are also eligible to apply (provided their aggregate marks up to the final year must be 50% or above), subject to meeting eligibility criteria and submitting proof latest by 31st October 2020.

Minimum age for admission to PGDM programs is 20 years and maximum age is 30 years.

Admission Policy and Procedure

The Institute considers CAT/MAT/XAT/GMAT/CMAT/ATMA scores for admission to its PGDM & PGDM-Marketing programs. Based on merit, candidates who qualify on various parameters (CAT/MAT etc. scores, graduation scores) will be called for Group Discussion. Personal Interview to be held at ASM Campus and possibly other cities in India (Punjab, U.P., etc.).

The admissions are based on the following parameters:

- **Previous Academic Performance** – Candidates' academic performance at undergraduate level, 12th and 10th levels will be reckoned for consideration for admission.
- **Common Entrance Test (CET)** – The score of common entrance examinations like CAT, MAT, CMAT, ATMA etc. is considered as per weightage assigned in the table given below.
- **Group Discussion** – The group discussion is generally held for about 25 minutes in which a maximum of 10 candidates participate in each group and interact with each other on a given topic. The candidates are evaluated by a panel on their initiative, logical content, group behaviour, communication, etc.
- **Personal Interview** – It is a one-to-one interview, between the candidate and a panel for about 10-15 minutes in which a candidate is evaluated on his personality, communication ability, functional knowledge, general awareness, orientation for management course, etc.

During personal interview, a candidate may be asked about his/her background, strengths and weaknesses, career objectives, reasons for joining PGDM courses, subjects studied at undergraduate level, current affairs related to business and industry, etc.

For selection of candidate the weightages of various parameters is as under:

Component	Weightages (%)
Score in Common Entrance Test (CET)	50%
Score in Xth Standard	5%
Score in XIIth Standard	5%
Score in Graduation	10%
Group Discussion	10%
Personal Interview	15%
Post-Graduation/ Sports/Extra-Curricular activities, Academic diversity and gender diversity	5%
Total	100%

Application

Aspiring candidates are required to submit the application forms duly filled to the Admissions Office by the stipulated date. These forms are carefully screened for superior academic performance and extra-curricular accomplishments of the candidates. Candidates are required to submit all the documents mentioned in the application form.

For online applications, visit ASM website: **www.apeejay.edu/asm**

Admission Offer

After careful evaluation on the aforesaid parameters, the Admission Committee prepares a list of short-listed candidates to be offered admission.

Foreign Nationals (FN)/Persons of Indian Origin (PIO)/Children of Indian workers in Gulf Countries (GQ) (Applicable for PGDM Program)

Students in the category of Foreign Nationals/persons of Indian origin (PIO)/children of Indian workers in Gulf countries (FN/PIO/GQ) for PGDM Program, who are unable to take the above test in India, may opt for GMAT.

In the case of candidates belonging to category of Foreign Nationals (FN)/Persons of Indian Origin (PIO)/Children of Indian workers in Gulf Countries, interview and written test, etc. could be conducted through Skype.

The candidates under this category, who qualify for admission as per criteria mentioned above, will be provisionally selected based on submission of scanned copies of document of eligibility (if not in English, certified English copies to be sent-certified by a Government officer of native country or Principal of the last institution attended) and submission of scanned copy of a valid Passport.

This provisional admission will be subject to:

- AIU clearance of graduation degree by students.
- Submission of Medical Fitness Certificate.
- Submission of Character Certificate from a Government officer of native country or Director/Principal of the institution last attended.

Admitted students will also have to obtain FRRO approval within 14 days of arrival in India by submission of necessary documents to the concerned Government office in India.

Visa Assistance

Selected candidates will be provided necessary documents, including admission offer letter, to facilitate their Visa Application process.

Falsification of Records
