MESSAGE FROM THE CHAIRMAN

Jaipuria Institute of Management has been at the forefront of management education for almost a decade. Over the years our students have served the industry in various capacity and made the institute proud. We have been focusing on holistic education and in our endeavour to excel, we have introduced additional focus on communication and personality development, which will go a long way to prepare our students for industry.

It has been our endeavour to emphasize the importance of ethics and value education and to achieve this goal, we have tried to integrate values and ethics with various subjects and make it a way of life. I would like to thank the industry for accepting our students.

Our MBA program is committed to excellence. It is a passion shared equally by the institute's faculty, students, corporate sponsors and alumni who help us in nurturing future leaders who shape the fortune of the industry in the new millennium.

I extend my best wishes to you and look forward to welcome you to join Jaipuria Institute of Management and contribute to our journey towards exploring new frontiers in business management.

Best of luck...

The two years of learning at JIM is equivalent to twenty years of pragmatic life. I experienced the transformation from a boy to a man, from being mundane to skilled and from raw to processed.

Ujjwal Jee
Corporate Manager
Wildcraft India Pvt. Ltd.

"I really had an excellent time at JIM, it was second home to me. Our stay was stupendous. This institute really taught me how to live life and most important provided me a way to face the world."

Preeti Singh
Assistant Manager
Yes Bank

It has been 11 years since I stepped out of Jaipuria Institute of Management, Ghaziabad. The two years spent in JIM not only helped me broaden my horizon on my knowledge of administration and management but also helped me discover more about myself. It is a place of knowledge and bliss. Nostalgia always gripped the air whenever I got a chance to meetup my batch mates from 2005-07 batch. Preparing for case studies, presenting group projects, visits to industrial units, midnight Maggi breaks during end semester exams, planning for group outing with friend from the day of freshers till farewell are some of the incredible experiences we had.

It was a pleasing experience to be part of such a reputed institute where I was able to nurture my dreams and turn them into reality. My tenure at college was one of the most illuminative periods of my life. I got multiple inputs from the Faculty, Visiting staff and Placement cell. Jaipuria institute gave a kick start to my career thereof boosting it to a professional environment of Indian job market. The college and the faculty has equipped a full fledged support in whatever way it could and even to all initiatives taken by us. This is more than what we could have expected from a college for its student fraternity.

Vasudha Kushwaha

AN INTERACTION THAT INSPIRES

ACADEMIC RIGOURNESS

Our teaching pedagogy equips students to deliver results through intensive experiential learning.

Experiential and Collaborative Learning

Experiential and collaborative learning focuses on the learning process for the students. This type of learning process for the students creates knowledge through transformation of experience. Knowledge results from the combinations of grasping and transforming experience. Students learn how to share responsibilities with others and take advantage of each others experience and knowledge for mutual benefit - a skill directly required for their work.

Case Study Method

Case study method is another practical approach to provide exposure of managerial decision making and dealing with industrial nitty-gritty. Students are expected to interpret complex data and determine the best course of action to overcome an organizational issue. Case study method enables students to refine their analytical skills, decision making and strengthen their ability to work in a complex business environment.

Assignments, presentations, live and simulated projects, with periodic evaluations It ensures that student develops skills in managing time and work efficiently and effectively. This is what makes managers from Jaipuria a cut above the rest in challenging situations.

Live projects

At Jaipuria, students are exposed to various situational and functional live projects from the corporate world. These projects provide an invaluable opportunity for the students to be exposed to organizations with complex management issues.

Hands on experience on Decision Support Systems

It provides hands on experience over quantitative techniques used in managerial decision-making process. Students will learn from the structured educational experience developed by the faculty.

Speaker Series

Leading experts from industry, practitioners and researchers from varied fields are the knowledge partners of Jaipuria Institute of Management. They share information on current issues, best practices, challenges & opportunities of the business world on regular basis.

Summer Internships

With the Institute's corporate partners stimulates professional action skills learning through the implementation of "real-world" tasks and exercises under guidance of corporate mentors and institute faculty.

Industrial Visits

At Jaipuria the students are provided an industrial exposure through regular Industrial visits. These visits are organized regularly with the association of our industry patrons to different areas whereby students are able to understand the functioning and processes in a more coherent manner in real world scenario.

In our Programme, we have initiated a new course on Career Enrichment Programme in the Core Curriculum of both the 1st & 2nd years with a clear focus on developing the core required skills of leadership.
