Vision & Mission

Harish Chandra Ram Kali Charitable Trust (HRCT) was registered in the **year 2001** with the objective of establishing institutions of excellence with the focus on producing managers/ engineers/ pharmacists and other professionals to face the challenges of life.

The promoting body of **HRCT**; its trustees, the board of governors and advisors comprises eminent educationists, former Vice-Chancellors, reputed administrators, distinguished technocrats, successful industrialists and entrepreneurs. **The Group is headed by a young, energetic, prudent & visionary technocrat and engineer Dr. Anil Agarwal, M.P., Rajya Sabha, as its Chairman.**

The **vision** of the **HRCT** is to establish institutions of excellence with focus on producing engineers/ managers/pharmacists with positive attitude and scientific temper, well-equipped with professional skills to understand problems and to harness acquired expertise for solving problems and achieving desired results.

The **mission** of the **HRCT** is to search out the latest professional breakthroughs and modern systems imparting pragmatic knowledge and flexi skills in order to survive in the most competitive environment of today by catering the needs of the industry.

Chairman

Dr. ANIL AGARWAL
 B.E., FIE, MBA, Ph.D.

Member of Parliament (Rajya Sabha)

Vice Chairman

ANJUL AGARWAL
 BBA, MBA, Ph.D*

Infrastructure and Salient Features:

Every Institute of HRIT Group has a well equipped infrastructure needed to train and groom its students.

- Spread over more than 25 acres of Lush Green Campus
- Modern Lecture Theaters and Tutorial Rooms
- Spacious Air-conditioned Seminar Hall
- Well Equipped Workshops, Labs & Drawing Halls
- Modern Digital Communication Lab & Book Bank facility
- Well Stocked Air Conditioned Central Library
- Dedicated Resourceful Placement Cell and Mega Job Fairs
- Modern Amenities, Central Cafeteria with 8000 sq. ft. Covered Area
- Modern Separate Boys and Girls Hostels in the Campus with Wi-Fi Connectivity
- Excellent Facilities for Indoor Games & a Well Established Robotics lab
- Industrial, Educational & Recreational Visits
- 24x7 Security Arrangements & Medical Facilities
- Only Institute Having World Class 1/2 Olympic Size Swimming Pool
- 24x7 High Speed Fibre Optic Based Line

Director General

Dr. V.K. JAIN

ME (Hons), Ph.D., FIE (I), FIETE, MCSI
 An eminent educationist & Ex- Director HBTI KANPUR

The academic team of the H.R. Group of Institutions, Ghaziabad is headed by Dr. V.K. Jain, an eminent educationist and technocrat. He possesses ME(Hons) and Ph.D. Degrees in Electrical Engg. He carries with him vast and rich teaching and research experience. He has been Professor and Head of Electrical Engg. and Computer Science departments and Director, HBTI Kanpur for a long time. He is also founder Director, IMS Engg. College, Ghaziabad. He has to his credit large research publications in national and international journals of repute and several patents. He is recipient of President of India's prize for the best research paper in Journal of Institution of Engineers (India) and 'Bharat Jyoti' award.

Group Director

Dr. N. K. Sharma
 M.Tech, Ph.D (IIT Kanpur)
 Renowned Academician

Dr. N. K. Sharma is a dynamic personality with a vision to take HRIT Group of Institutions to new heights by blending his academic and administrative skills. Holding 32 years of rich experience in teaching and administration, Prof. Sharma has done his graduation in Electrical Engineering from Dayalbagh Educational Institute (Deemed University), Agra, M. Tech. and Ph.D. from IIT Kanpur and PGDBM from NMIMS, Mumbai. He has published more than 50 research papers in refereed journals and conferences, guided six research scholars and had been a Member Board of studies (Electrical and Electronics), UP Technical University, Lucknow now (APJAKTU, Lucknow) and holds professional membership of IEEE, LMISTE, AMIE(I). He has served NMIMS Shirpur Campus as Director of Engineering. He believes in student centric approach where student will learn, experiment and make new products.

TRAINING AND PLACEMENT CELL

The Training & Placement of HRIT cell arranges placement drives, Job fair, seminars, workshops, Internship opportunities and Trainings for the students. Our students are selected in TCS, INFOSYS, WIPRO, BYJU'S, Tech Mahindra, TATA MOTORS, TAJ HOTELS, HOLIDAY INN, CIPLA, SUN PHARMA, JUST DIAL, INDIAMART etc.

HRIT Group has a very strong industry interface and **ALUMNI network**.

T&P cell also arranges Seminars & Workshops on various topics of current interest like Solar Energy, Sales Strategies, Android Applications, Corporate Counselling, Financial Services, Big Data, Hadoop, Cloud Computing, Ethical Hacking, LINUX, PCB Design, Robotics, Solid works, AutoCAD, Hotel and Tourism Industry outlook, Pharma Opportunities, Artificial Intelligence etc. It is headed by an experienced professional **Mr. Shailendra Soni** and supported by Mr. Akash Saraswat with his competent team.

Placement Cell of HRIT Group regularly conducts student development sessions on Soft Skills, Behaviourial Skills, Interview Skills along with various Career Development workshops to make students Job / Career ready.

Mr. Shailendra Soni
Head Training & Placement
HRIT Group of Institutions

INDUSTRY COLLABORATION

IBM Software Centre of Excellence

The most popular and trusted brand of IT industry IBM, India has collaborated with the HRIT Group of Institutions in the form of IBM Software Centre of Excellence.

HR INSTITUTE OF TECHNOLOGY

AKTU Code : 194

Welcome to the world of H.R. Institute of Technology (HRIT). It offers a highly congenial environment for technical education as well as for the growth of Individual personality and professional career. Experience, enjoy and explore the most exciting, thrilling and fulfilling time to cherish and grab the opportunity to acquire the best of theoretical and practical knowledge in the chosen program. Have interaction with the best faculty and enjoy working in the state-of-the-art-laboratories, computer center and library.

Admission Procedure

As per University / AICTE Norms.

Applied Sciences & Humanities Department

The department has full-fledged Physics and Chemistry Labs as per Dr. A.P.J. Abdul Kalam Technical University, Lucknow syllabus. The Communication Lab (Model LLB-100 Digital) has been set-up to strengthen Communication and Group Discussion Skills of the students to groom their personality. The Communication Lab provides sufficient exposure and orientation to students to improve upon their spoken English as well as prepare them for TOEFL, IELTS, TWE, TSE etc. Department regularly organizes several activities to facilitate the students for their future prospects.

COURSES @ HRIT: • B. Tech (CSE, ECE, ME, EN, CIVIL) • M. Tech (CSE, ME, ECE) • MBA • MCA

Department of Computer Science & Engineering

The department of Computer Science & Engineering offers both UG and PG courses in Computer Science & Engineering. It believes in Techno-Friendly environment. Its main objective is to produce quality engineers in the field of Computer Science and Engineering with expertise of latest technologies like AI, ML, Big Data as per the demand of IT industry. The department is equipped with state of art networked desktop computers with latest softwares. B.Tech (CSE) students are selected frequently in companies like TCS, INFOSYS, WIPRO, NIIT, COGNIZENT, HCL and TECH MAHINDRA.

◉ Electrical and Electronics Engineering Department

The department is well equipped with Electrical Engineering Lab, Network Lab, Measurement Lab, Electrical Machine Lab, Microprocessor Lab, Electrical Simulation Lab and Power Electronics Lab. These labs are well furnished with all the modern equipments / apparatus/gadgets such as Induction Motors, DC Machines, Synchronous Machines, Transformers, CROs, various kits etc.

◉ Mechanical Engineering Department

The Mechanical Engineering department offers both UG and PG courses in Mechanical Engineering. It has a well equipped Mechanical Lab with 40 Ton UTM Machine, most advanced version of Combined Hardness Testing Machine, Hydraulics, Refrigeration, Air Conditioning and Automobile labs.

◉ Civil Engineering Department

The department imparts adequate training for a successful civil engineer with CAD drawing and design using latest softwares along with instrumentation and field studies. The deptt. has well equipped Structure Engg, Material Testing, Hydraulics, Public Health Engg, Transport and Survey labs.

◉ Electronics & Communication Engineering Department

The Electronics & Communication Engineering department offers both UG and PG courses in Electronics & Communication. The Department has excellent laboratory facilities in the field of Electronics & Communication Engineering. It consists of Control Lab, Electronics Lab, Communication Lab, Microwave Lab and Project Lab along with latest simulation softwares.

◉ Department of Master of Computer Application (MCA)

MCA program is developed and designed to meet the growing demand of qualified professionals in IT industry with emphasis on the depth of the knowledge of the recent trends and technologies in demand. It also helps students in development of entrepreneurial abilities, personality development and soft skills development throughout the course.

◉ Department of Management (MBA)

MBA Program ensures overall development of students through Class Room Lectures, Seminars, Industrial Visits and Discussions with interactive sessions. The Department is well equipped and offers teaching of Modern Management.

HR INSTITUTE OF ENGINEERING & TECHNOLOGY

BTE Code : 1560

HRIET provides all appropriate facilities as per Board of Technical Education UP norms. Besides Modern Lecture halls, Student Activity Center Tutorial Rooms and Well Equipped Labs, it also has the best transport and hostel facilities.

COURSES @ HRIET

- ⦿ Diploma in Engineering (ME, ME (Automobile), CSE, EE, CIVIL)
- ⦿ Diploma in Pharmacy

HRIET is housed in a separate spacious building. It offers various diploma courses in Mechanical Engineering, Mech. (Auto.), CSE, EE, Civil and Pharmacy. Our Engineering Diploma Courses are approved by AICTE, BTE, UP and Diploma Pharmacy is approved by PCI. All the courses have well equipped labs with state of art facilities. Placement of all Diploma Courses is excellent with the placement of almost all students.

Recently there has been increasing demand for Pharmaceuticals. Our Pharmacy diploma course labs are well equipped with modern facilities. Our faculty is highly competent and experienced.

These are following lab in Diploma Pharmacy Course :

- ⦿ Pharmaceutical chemistry lab
- ⦿ Pharmaceutics lab
- ⦿ Pharmacology lab
- ⦿ Pharmacognocny lab
- ⦿ Pharmacy Practice lab

HR INSTITUTE OF PHARMACY

AKTU Code : 245

The Pharmaceutical industry is versatile industry today with spectrum of the careers from Pharmaceutical production of various drugs, Research & Development of new drug molecules, Quality Control, Quality Assurance, Clinical Pharmacist, Hospital Pharmacist, Medicines Safety manager, Medical Writing and Independent Dispensaries.

HRIP provides hands on training that allows the students to develop themselves academically and practically sound professionals enabling themselves to various spectrums of Pharmaceutical industry.

HR Institute of Pharmacy(HRIP) is a well-established Institute under the aegis of HRIT Group of Institutions, Ghaziabad (U.P) affiliated to Dr. APJ Abdul Kalam Technical University, Lucknow(U.P) and approved by Pharmacy Council of India, New Delhi. It offers B.Pharma, D.Pharma and M.Pharma in Pharmaceutics and Pharmacology courses to nurture each individual and skill them in all interdisciplinary areas of pharmacy.

HRIP has independent 2.5 acre area which covers four storey hygienic buildings containing well equipped 16 labs, Animal house as per CPCSEA guidelines, Herbal Garden, Museum, Machine Room, Central Instrumentation Room containing UV Spectrophotometer, HPLC, Viscometer, Neflometer, Florimeteretc and green lush sports ground.

Our faculties have excellent profile. Five of them are Ph.D. and many are pursuing part time Ph.D. from reputed universities on Synthetic, Semisynthetic, Natural Biomolecules Computational and Simulation. Teaching and research is strengthening by computer lab, software and high speed Internet.

COURSES @ HRIP

- **DIPLOMA IN PHARMACY**
- **BACHELOR OF PHARMACY**
- **MASTER OF PHARMACY**

Laboratories:-

- Pharmaceutics Research Lab
- Pharmaceutical Chemistry Lab
- Pharmacology Research Lab
- Pharmacognosy Lab
- Pharmacy Practice Lab
- Pharmaceutical Analysis Lab
- Human Anatomy Lab
- Central Instrumentation Facility
- Machine Room

Other Facilities:-

- Animal House
- Herbal Garden
- Library
- Museum

Dr. R.K Roy

Director, HR Institute of Pharmacy
M.Pharm, Ph.D

Dr. Roy has more than twenty eight years professional experience. He is an eminent scientist, profound academician and distinguished administrator. In his service tenure of pharmacy profession, he has already guided five Ph.D scholars and more than twenty M. Pharm students and published more than fifty papers in national and international journals. He has also worked for NCI Maryland USA as Research Scientist.

Dr. Deepa Chauhan

Dy Director, HR Institute of Pharmacy
M.Pharm, Ph.D

Dr. Deepa Chauhan has more than twenty years of experience in the field of Pharmaceutics Sciences. She has more than 22 research papers and review articles in various national and international journals. She has worked for various pharmacy colleges and universities on the profile of Director/Principal/Dean.

HR INSTITUTE OF HOTEL MANAGEMENT

AKTU Code : 237

HR INSTITUTE OF HOTEL MANAGEMENT

HRIHM is committed to provide the best professional education with value added skills, needed for hotel industry through highly qualified faculty and the best infrastructure. The Institute's major objective is to produce students with entrepreneurial management skills in the realm of Hotel Management & Catering Technology by empowering their moral fibre so as to enable them to groom as future assets of the nation.

HRIHM has to its credit producing Gold & Silver medalists at University level.

HRIHM also strives to achieve the following objectives :

- Application of Modern Hotel Management practices to practical issues and strategic planning at functional level.
- Develop creative and imaginative yet creditable solution for hospitality management issues through personal and interpersonal skills.
- Skill Development under the sponsorship of Ministry of Tourism i.e. HSRT

हुनर से रोज़गार तक बढ़ते कदम

Director
HR Institute of Hotel Management

Prof. C N Sinha is a veteran personality in Hospitality sector, He has served in Taj and Ashok Group of Hotels at executive position for three decade.

He is an excellent blend of industry and academics.

COURSES @ HRIHM

- BHMCT

Our Hotel Management student Akhems is felicitated by Hon'ble Governor of UP & VC of AKTU, Lucknow on Being one of the Topper in 2021

HR INSTITUTE OF SCIENCE & TECHNOLOGY

Code : 325

Affiliated to CCS University, Meerut (Code: 325), Recipient of Best Upcoming Institute award by ASSOCHAM (Associated Chambers of Commerce & Industry of India)

Welcome to the family of HR Institute of Science & Technology, Ghaziabad which is working steadily

towards shaping dreams of the students into reality and reaching new heights in education & research and thus opening up fast growth in career opportunity.

HRIST welcomes all enrolled students. The institute is well known for various initiatives in professional education. HRIST has always witnessed quality education as first priority, thus, ensuring the academic rigour, institute-industry interface and overall grooming of the students' personality. Faculty fraternity has a blend of academic and industry experience.

The institute enforces strict discipline and habits to make the students successful in life. HRIST is particular about time management and dress code.

Thus, students of HRIST are professionally sound, dependable and self-disciplined individuals, who are nice to deal with and form good members of any team and society.

As a researcher, academician, thinker and an orator in the field of management, Prof. (Dr.) Nirdosh Agarwal is having more than 27 years of rich experience in academics, research and administration. He was honored with the degree of Doctor of Philosophy (Ph.D) in Commerce and Business Administration and he holds triple PGs in the field of Management, Commerce and Economics and is also having the degree of Law, PGDFM and CWA (I).

He has credit of publishing many articles, national & international seminal and research papers and also got published several books in his name. He is also guiding research scholars of various universities and providing consultancy and counseling to various students in their professional career.

Director, HR Institute of Science & Technology

Prof. (Dr.) Nirdosh Agarwal

Ph.D., MBA, M.Com., MA (Eco.), LL.B, PGDFM, CWA (I)

Bachelor of Business Administration (BBA)

BBA program at HRIST provides students greater understanding of techniques of management science in an effective manner. It offers doorways to careers in business through development of analytical abilities and an extensive knowledge management.

Bachelor of Commerce (B.Com)

The Bachelor of Commerce degree at HRIST is designed to provide students with a wide range of managerial skills with competence in a particular area of business. It focuses on the factors that drive economic behavior at both an individual and organizational level. The course equips students with the analytical, communication and problem solving skills to effectively identify issues and find efficient & practical solutions.

COURSES OFFERED :

Bachelor of Computer Application (BCA)

The course provides a professional graduation degree to the students who aspire to become successful professionals in life. The curriculum imparts the fundamental practical & technical knowledge on Information Technology and allied disciplines.

HR INSTITUTE OF LAW

Affiliated to CCS University, Meerut (Code: 1165)
Approved by Bar Council of India (BCI)

The goal of HRIL is to enrich legal education by providing an environment in which law students learn the art of lawyering by serving real clients, and develop the habit of reflecting on how to improve themselves, the profession, and the legal system. The faculty members at HRIL are highly qualified and experienced and have advance degrees in Law from renowned Universities. To foster an educational environment it allows the students to strive for the highest level of practice and provides each student with a case load that involves a varied groups of problems, legal issues, and lawyering skills. Its professional emphasis is on "client-centered representation," in which the student lawyer focuses on the client's goals, rather than defining what the client needs; and treats the client as an effective collaborator in problem-solving.

Admission Eligibility : Graduation in any stream. General Category- Min.45% Marks, SC/ST-Min.40% Marks.

Moot Court

It is the policy of HRIL to encourage the students to participate in various national and International moot court competitions.

Legal Aid Clinic

HRIL has setup permanent Legal Aid Clinic at Campus to assist the under privileged and rural community in its endeavour to secure the Justice for All. Through this Clinic, the institute aims to stimulate thinking and redefine understanding of Law students on the legal angle to disputes/complexities at large, social obligation and responsibilities retained on legal practitioners to provide good quality legal services which deliver fair access to justice for the people who cannot otherwise afford it.

Dharmender Kumar
