Dr. D.K. Modi

'Message'
from Chairman

Dr. Devendra K. Modi
Chancellor - Chairperson,
Dr. K.N. Modi University
B. Tech (Chem. Engg.)
M. A. (Eco), MBA, PhD, D. Litt.

My parents vision, beliefs , deeds and activities were all pervasive and wholesome. They not only contributed to the growth of Modi Enterprises but also operated in larger context for the wholesome development of Industry nationally and internationally besides promoting social welfare, culture, sports, research, rural development, education and social development. As such it would be formidable to narrate their belief, visions, deeds etc, in totality but as a mark of homage to both of them, emulating remembrance we have established Dr. K.N. Modi University.

I welcome you to Dr. K. N. Modi University, an institution that we have conceived as a landmark centre of higher learning. Indeed, our intention has been to create a university that will truly set standards in academic and technical education and become a benchmark institution in its category in the region.

Towards this, we have taken every necessary step to develop the finest infrastructure, ranging from state-of-the-art classrooms, laboratories, comfortable hostels and residential quarters. Well experienced, research oriented faculty and creative excellent network with leading Industry, are a few unique feature.

I invite you to join The University and experience the difference for yourself.

A very warm welcome to our vibrant family.

Best Wishes

'Message'
from Vice Chancellor

Prof. (Dr.) Devendra Pathak
Vice Chancellor
Dr. K.N. Modi University
MA, MBA, PGDSW, CAIIB,
AMT, PhD(BU), PhD(USA)

Education has always been considered as the building block of a society. Developing countries especially India emerging as the 4th largest economy of the world needs a pool of qualified professionals to meet the challenges of the 21st century. While Indian academic institutions lack widely in quality education and market driven curriculum, the ever changing scenario necessitates a paradigm shift in redefining, reorienting, and reinventing the whole gamut of academic delivery.

The existing academic environ has to adopt greater flexibility with cutting-edge knowledge, change in focus on what to deliver and how to synchronize with rapidly changing situations, fostering quality leadership through better emotional quotient and providing quality with value based teaching with stress on ethics and better governance.

Flying on the wings of hope, driven by passion to create new synergy and ignited by zeal in pursuit of excellence, I extend a hearty welcome to you all to walk in our Campus, and join this great seat of incubation and learning to emerge as a change leader.

"Our **INNOVATIVE** approach towards TEACHING and LEARNING stands as model for institutions **NATIONWIDE**"

DR. KEDAR NATH MODI FOUNDATION
A GLOWING LEGACY OF EDUCATION SPANNING OVER SEVEN DECADES

B ehind the establishment of the Dr. K.N. Modi University are the seeds of caring and social service sown by one of India's most distinguished sons. Late Dr. Kedar Nath Modi (1922-2005), leading industrialist and philanthropist, set up the foundation that, continues to carry on his work of promoting education, establishing community welfare facilities even supporting the needy and less privileged.

For 74 years the torch of commitment has been burning brightly and spreading the light of knowledge everywhere. Under the able guidance of Dr K. N. Modi, the entire movement towards providing quality academic and professional learning took root starting with the setting up of the first school in the year 1942 in Modinagar.

Late Dr. Kedar Nath Modi

VISION
"To become one of India's most respected self financed education providers and a leading center of innovation & learning, imparting quality education across all levels."

"the More We Share The More We Grow"

WHY
DR. K.N. MODI
UNIVERSITY ?

- Promoted by Dr K N Modi Foundation with over seven decades of rich experience and reputation.
- The group has 26 campuses, 52 courses, 200 acres of land and 36000 students
- Strong team of close to around 700 academicians, experience people from the industry.
- Research – focused Industry based curriculum.
- Affordable fees structure
- Focus on changing trends and emerging academic areas as per international standards.
- Study Abroad Program and National & International education tour.
- Tie-ups with leading research institutes and industries around the globe
- Latest courses and updating of curriculum as per International standards and requirement of Industry & research.
- DKNMU is selected for MHRD's (Govt of India) sponsored QEEE programme. Under this program the best faculty of IIT's deliver live Lectures/ Courses to students , which includes vocational augmentation courses.
- Member: Institute of Engineers India Calcutta (IEI, Calcutta). Member Indian Society for Technical Education (ISTE). Member Society of Automotive Engineers India (SAE, India).
- Smart classrooms with multimedia contents and adaption of latest technology, state of art laboratory for all streams.
- Accredited and recognized by International Accreditation Organisation (IAO) and Association of Common wealth Universities (ACU) and American Accreditation Council of Business Education (AACBE).
- Partnership with EdCIL (India) Ltd .

10

Why Dr. K.N. Modi University ?

- Academic tie up with West Coast University, Nusantara PGRI University, Indoneasia, (Indoneasia), European University & Orkhon University for Student & Faculty Exchange.
- Member Businet, an organisation of 93 members across 25 countries encouraging student & faculty exchange.
- Member National Entrepreneurship Network – an initiative of IIT students to help young Entrepreneurs to setup and run their programmes successfully.
- Fully Wi – Fi campus & Extensive computing facilities.
- Supports No Ragging Policy under UGC norms.
- An AV studio for transmitting and receiving lectures across the world.
- "Edge for Industry" program to impart training, relevant to various industries.
- Fully equipped library with more than 35, 000 books.
- ERP system fully operational.
- Well equipped air conditioned auditorium with latest equipment.
- On Campus separate hostels for Girls & boys – National & International students.

- CCTV surveillance for 24 hours security. ATM, Medical Support, Courier service, Cafeteria, Daily need shop, Transport Facility available at Campus.
- Situated near Jaipur – The Pink city of India. India's most attractive tourist destination.
- Scholarship available for meritorious students.
- Assistance to avail bank loan and Govt sponsored scholarship scheme for eligible categories.
- 100% placement assistance.
- Industry interactive sessions, workshops, seminars, paper presentations, and quizzes are part of the teaching methodology
- Lively ambience in the classroom, complemented by the web, the university intranet and various learning resources available with 24x7 connectivity
- Ample opportunities are given to students for research, innovation & to showcase their project & papers.
- Students participate in various Sports Tournaments to always bring laurels back home for the University.

CORNERSTONES OF THE UNIVERSITY PHILOSOPHY

- The Technology EDGE
- The Values Ideology
- Our Esteemed Linkage
- The Industry Connection
- EDGE for Industry Readiness
- Seamless Learning
- Entrepreneurship & Innovation

EDGE FOR INDUSTRY READINESS:

It is a known fact that over the past decade, career opportunities have increased dramatically owing to strong economic growth. Despite this, a large number of fresh graduates fail to find suitable employment as they are unable to meet the skill and productivity level expected by the industry. This skill gap is a combination of lack of technical skills as well as personality and communication skills. While the university curriculum imparts great conceptual grounding, there keeps emerging a need for industry readiness through skill upgradation on new technologies as well as communication skills and personality development.

As per a NASSCOM study only 20% of total fresh graduate are employable and this is due to the lack of technical skills as well as communication skills.

- EDGE makes our students Industry ready.
- EDGE improves our students employability.
- EDGE provides our students more employment opportunities.
- EDGE makes our students eligible to appear for International Certification.

A dedicated Industry-Connect Cell coordinates with leading organizations across industries for providing industry exposure along with appropriate career opportunities.
