### WITH OUR IN-HOUSE RECRUITMENT COMPANIES

**IZee Manpower** – one of India’s leading recruitment companies and XploreJobs, supporting our students, placements are always an advantage to IZee Students.

We believe that ‘the right person at the right place and at the right time’ is primitive for successful and effective placements.

What we don’t realize these days is that there is a huge difference between Unemployment & Unemployable. The fact is that the latter leads to the former. Therefore it is very important to study the job market and industry expectations to ensure successful placements
