DR. M. THAMBI DURAI

Hon'ble Member of Parliament (Rajya Sabha)
Former Deputy Speaker, Lok Sabha
Former Union Minister of Law, Justice & Surface Transport

Foreword

I present this foreword as a celebration of outstanding contribution for fostering and nurturing leaders, who hold strong ethical values and are capable of making a positive difference in the management of all organizations.

Since its inception in 1995, it is committed to develop professionals and entrepreneurs with knowledge, innovative ideas and positive attitude to meet the global challenges of corporate World. The mission of IMT is to accomplish the vision of AERI Trust (Adhiyamaan Education and Research Institutions) which believes to foster excellence in Management and Technical education both in the rural and urban areas and helps in creation of intellectually stimulating rewarding environment to have a sustainable distinctive advantage.

IMT is the hallmark of excellence in all spheres of pride in the field of Management & Technology. I am happy that over a period of time, IMT has developed brand equity of its own. The dedicated faculty has a mix of excellent academic background and industrial experience which can guide and mentor the students effectively towards their chosen career goals.

I take the opportunity to invite the esteemed representatives of corporate organizations to visit the campus and take a pick from the talented budding executives.

I wish good luck to the distinguished circle of future leaders and educators for better tomorrow.

Dr. M. Thambi Durai
Hon'ble Member of Parliament (Rajya Sabha)
Former Deputy Speaker, Lok Sabha
Former Union Minister of Law, Justice & Surface Transport

I LOOK AHEAD

ESTD:1995
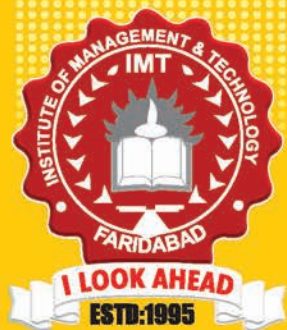

The Principal Director

It gives me immense pleasure in welcoming you to IMT Faridabad, an Institute with 26 years of legacy, committed to honour its commitments for producing legends by looking ahead.

IMT has done consistent improvement in its academic, research, personality development, placements and moral education by organising a range of innovative curriculum, extracurricular activities, communication skills, critical thinking abilities, moral values and sense of responsibility. It has been designed to meet the challenging requirement of the industry and major stakeholders. We believe that our students have been well acknowledged and consistently exceeded expectations of the corporate world.

The infrastructure has been completed digitally transferred to outfit modern equipment, digital platforms, smart online classes and provisions have also been made to upgrade the same, keeping pace with the technological advancements of the time.

The curriculum is taught by a distinguished faculty combining academic excellence and real-world experience with dedication and commitment. IMT is proud and always on top of the world by having a team of highly qualified, experienced and dedicated faculty drawn from other renowned institutions, Industry and academics

I warmly welcome all the stakeholders to visit our Campus for fulfilling their dreams and I reassure that all commitments will be honoured as we believe that future for the youth cannot be built but youth can be built for the future.

Prof. (Dr.) Ravi K. Handa
LL.B., MBA, M.Phil., Ph.D.

Message From
The Vice Principal

The Institute of Management & Technology, IMT Faridabad has made a modest beginning in the year 1995, and since then it aims to follow its vision, mission and program objectives framed by all its stakeholders.

Since then, we strive towards inculcating the ability to think creatively and critically which have more become predominant due to the pandemic situation. The teaching pedagogy adopted at IMT college enables you to apply the management/information technology knowledge and also enables for holistic development by generating life-skills: strategic thinking; decision making; leadership etc., to get maximum employability.

We at IMT look beyond the boundaries and try to capture knowledge and expertise of top academicians and corporate leaders worldwide. We also offer transformational learning experience that will develop your skills and knowledge into world class business acumen.

Our links with the varied professional bodies will provide you with access to industry relevant workshops, trainings, professional development resources and opportunity to establish new contacts and strengthen professional networks.

I am privileged to be an instrumental part of a IMT faculty which has a passion, zeal and desire to navigate the corporate environment and enable their students with a platform to build a bright and employable career.

I welcome you to your new learning journey at IMT Faridabad.

Prof. (Dr.) Parul Khanna
MBA, Ph.D.
Life Member ICA & NHRD

ANNIVERSARY
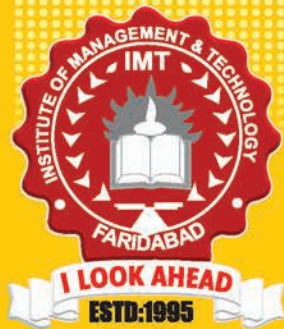

Values

- Maintain high academic standards in teaching, research and contribution to society.
- Integrated learning with emphasis on lifelong learning skills.
- Commitment to students-nurture their talents to become responsible leaders.
- Continuous improvement of our programs and people.
- Strive to develop students with global orientation.
- Develop customer centricity, strong sense of values and integrity among the faculty, staff and students.

About the Institute

The IMT was propounded in 1995 by Adhiyamaan Educational & Research Institutions (Trust). IMT campus spread over 5.5 acres of land, has ultra modern four storey building consisting of one lac square feet of constructed area. IMT is known for its academic integrity, ethical governance and intellectual growth on one hand, and for its blend of cutting-edge curriculum, skill-building pedagogy and uncompromising learner-centricity on the other.

We impart higher education basically to shape and sharpen young managers to achieve the set goals by inspiring the spirit of Interest, Commitment and Enthusiasm in practical business management. It is not just an Institute but an ideal platform and forum for corporate techno-managerial aspirants. IMT is recognized nationwide as a leader in the field of Management Education and Computer Applications.

Vision

To be the trendsetter in knowledge industry by developing and grooming budding managers through education, innovation, research, consultancy and form a knowledge nerve centre of par excellence.

Mission

To educate the rising managers by integrating the corporate training room within the four corners of our classroom and providing innovative students friendly academic as well as research environment, so that each and every student proves himself/ herself asia asset for the organization wherever he/she works.

About the Trust

AERI-Trust was registered as a Charitable Trust in the year 1986 to serve the society, with a view to develop and provide quality education in the field of Engineering, Science, Technology, Economics, Management Studies, Education, IT, Computer Applications and Law. The main objectives of the trust is to organize, extend and implement educational services in rural and urban areas.

BBA The Bachelor of Business Administration

The Bachelor of Business Administration (BBA) is a three-year undergraduate degree programme that equips students of 10+2 with an understanding of the business and management environments.

We at IMT provide fundamental education in affiliation to Maharshi Dayanand University Rohtak, (Accredited 'A$^+$' by NAAC) to understand and develop unique leadership qualities required to successfully manage a business. It enhances and blends student's intellectual ability, executive personality and managerial skills through an appropriate unification of business and general education.

The programme is further aimed at enhancing professional development. It is also designed to produce up-to-date, assertive and effective executives for business and other organisations and prepares students for further studies. The programme covers a variety of business and management principles.

The teaching pedagogy of the programme aims at integrating the real corporate practice with academics.

Eligibility Criteria :

Senior Secondary Examination (10+2) of Board of School Education Haryana, Bhiwani with 45% marks in aggregate or an equivalent examination recognised by this University.

BBA-CAM
The Bachelor of Business Administration in Computer Aided Management

BBA-CAM is a professional degree course which stands for Bachelor in Business Administration with Computer Administration Management. This course unlocks the door, to gain access to attain and learn concepts, knowledge and application skills of both Business Administration and Computer Application. It is the combination of BBA and BCA.

It imparts fundamentals of Marketing, Planning, Operations, Finance, HR and sales of a business process along with computer subjects. It is the a gateway for a student and working professionals in the corporate world.

The Bachelor of Business Administration (CAM) degree is rising in popularity among students who want to make a career in management right after their 12th standard exams. The students who have this BBA(CAM) degree, have a strong base in management studies and they fare better than students who are not from a management background.

Beyond just education, this degree has a lot of scope when it comes to career. This is one of the few degrees where students can get high-paying jobs in management and computer area right after graduation. The country's economy is growing, and many new companies are coming up. Not all companies can afford highly experienced MBA managers. So, these companies give opportunities to BBA degree holders who can be just as good as an MBA qualified manager.

Many students are also forgoing the trend of joining disciplines like science, commerce, and arts. They are joining specialized disciplines like BBA(CAM) which are directly aimed at careers they want. Today's students tend to know what education and career they want right from the start, and this is one of the reasons why the future scope of the BBA(CAM) degree is bright.

Eligibility Criteria :

Senior Secondary Examination (10+2) of Board of School Education Haryana, Bhiwani with 45% marks in aggregate or an equivalent examination recognised by this University.

OR

Three years Diploma Course conducted by State Board of Technical Education or any other examination recognized by the State Board of Technical Education as equivalent thereto.

BCA The Department of Computer Applications

The Computer Applications field is an advanced and emerging area of technology and has shown an unprecedented growth in every sphere of life. To meet the IT requirements in the global market, the right choice is focused on the much demanded course of "Bachelor of Computer Applications (BCA)" imparted on a regular basis due to the pure technical nature of the course.

The Department of Computer Applications was established in the year 1998 at IMT Faridabad to impart the technical skills and concepts to the students. The Department has a well-equipped laboratory which is constantly updated with various development environments under different operating systems like MS Windows 10, Linux. The Department encourages and motivates its students for organizing and participating in the seminars at national and international level.

A conscious attempt has been made by M.D. University, Rohtak, to design the course curriculum as per the requirements and needs of the industry.

Eligibility Criteria:-

Senior Secondary Examination (10+2) of Board of School Education Haryana, Bhiwani with 45% marks in aggregate or an equivalent examination recognised by this University.

OR

Three years Diploma Course conducted by State Board of Technical Education or any other examination recognized by the State Board of Technical Education as equivalent thereto.

MBA Department of Business Administration

The Two-year full time MBA Programme is affiliated to Maharshi Dayanand University, Rohtak and approved by All India Council for Technical Education (AICTE). This programme provides the students the platform to imbibe procedural, theoretical and applied aspects of management and also develop a creative and cognitive attitude on practical business management.

The first year exposes the student to all areas of business, developing a holistic appreciation of business functions. It allows the student to gauge their interests and potential in various functional domains. After the first year, they do an internship project in an industry of their choice.

The students specialize in two streams of their choice as offered by the University.

The Dissertation projects undertaken by the students during the fourth semester are strategically designed to give them a strong foothold into topical subjects of industry concern.

These projects, accomplished with able guidance of mentors at the Institute, have even influenced several corporate fraternities to consider and adopt students' suggestions profitably, even offered jobs to the students in their mid-course.

Programme Objectives

– Enhance managerial skills of the participants to prepare them to shoulder higher responsibilities.

– Provide participants with an opportunity to learn management concepts and techniques relevant for formulating & implementing strategies in functional & general management areas.

– Enable the participants to appreciate interdependencies in an organization & acquire perspectives required for general management positions.

– MBA students engage directly with real business opportunities and challenges. With range of electives, students put theoretical and analytical knowledge gained in the classroom into practice, solidifying their understanding and ensuring their ability to contribute immediately in their current workplaces or their next jobs. Students learn by doing and work with business leaders from a wide variety of industries.
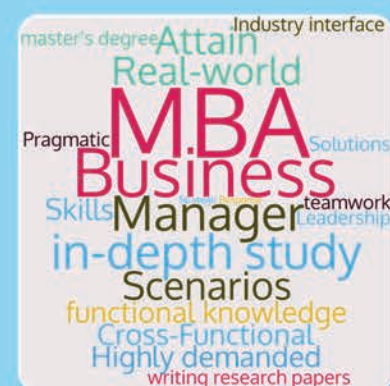

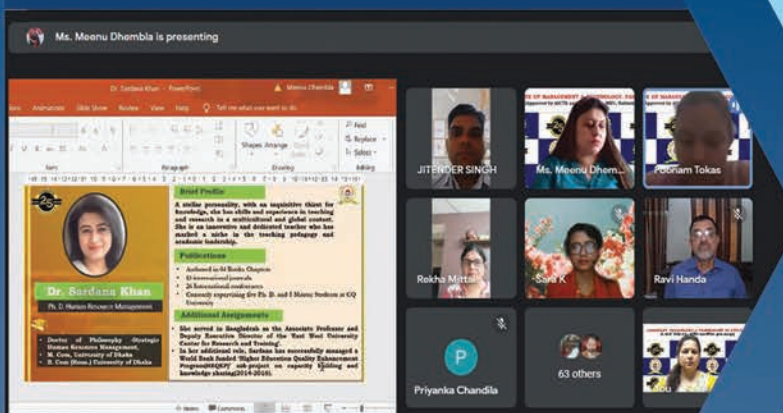

Eligibility Criteria:-

Graduation from any discipline with minimum of 50% marks from a recognized university.

Course Curriculum

MCA Department of Computer Applications

The Department of Computer Applications was established in the year 1998. The vision of the Department is to strive for excellence in education for the realization of a vibrant and inclusive society through knowledge creation and dissemination.

The MCA programme is standardized and is divided into four semesters. All the four semesters offer the students a strong foundation in both theory as well as practical. The second and fourth semester requires the students to undergo live internship project in reputed industries / institutions. The curriculum of the MCA programme is a fine blend of conventional theoretical knowledge and updated technical skills which enables the students to cope up with the growing demands and the changing trends of the software industry. The educators at the Institute are well versed with technical knowledge and skills and always strive to pursue academic excellence through their quality teaching.

The Department also has a well-equipped laboratory consisting of state-of-the-art computers with the latest configurations and software for imparting hands-on practical knowledge to its students. All computer systems are connected through LAN and Wi-Fi connectivity is provided for the benefit of students as well as faculty members. The students are provided fundamental knowledge on various platforms such as LINUX, UNIX, DOS, and Windows. They also have the opportunity to work on different programming languages, visual software and internet development tools. These computing facilities provide learning opportunities for the students of the Department so that they turn out to be creators of innovative technology in future.

Eligibility Criteria:-

For MCA 2 Years

Passed BCA/B.Sc (Hons.) Computer Science / B.E. or B. Tech. (CSE/IT)/B.Voc. (Software Development/IT) or an equivalent degree with having alteast 50% marks (45% for SC/ST candidates of Haryana only) in aggregate OR Passed B.Sc./B.Com./B.A. with Mathematics at 10+2 level or at Graduation level with having atleast 50% marks (45% for SC/ST candidates of Haryana only) in aggregate, along with the students

admitted with this eligibility will have to simultaneously undertake additional *bridge course as prescribed by the University during first semester.

Note : *It is compulsory for each students to pass out bridge course (three additional theory papers and one practical as prescribed in scheme of examination of bridge course) as per University norms during the 1st year of MCA-2 year program. However, these papers under bridge course will be taught only in the 1st semester of the program.

Course Curriculum

First Year

Bridge Course

20BCC11C1	Computer Fundamentals & Programming in C
20BCC11C2	C++ and Data Structures
20BCC11C3	Visual Basic & Database Systems
20BCC11CL1	Software Lab-1
	I. Programming in C
	II. C++ and Data Structures
	III. VB and Database Systems

Semester: First

20MCA21C1	Object Oriented Programming Using JAVA
20MCA21C2	Compiler Design
20MCA21C3	Computer Graphics & Multimedia
20MCA21C4	Digital Design & Computer Architecture
20MCA21C5	Advance Data Structures Using C++/Java
20MCA21CL1	Software Lab-1
	I. Programming in Java
	II. Compiler Design
	III. Computer Graphics
20MCA21CL2	Software Lab-2
	I. Computer Architecture
	II. Advance Data Structures

Semester: Second

20MCA22C1	Advance Object Technology
20MCA22C2	Advance Database System & Data Warehouse
20MCA22C3	Operating Systems & Shell Programming
Elective-I	
20MCA22DA1/	Theory of Computation
20MCA22DA2/	Computer Networks & Distributed Systems
20MCA22DA3/	Web Technologies
Elective-II	
20MCA22DB1/	Cloud Computing
20MCA22DB2/	Software Engineering
20MCA22DB3/	Advance Comp Architecture & Quantum Computing
20MCA22CL1	Software Lab-3
	I. Advance Object Technology
	II. Computer Networks/Software Engineering
20MCA22CL2	Software Lab-4
	I. Advance DBMS
	II. Operating System & Shell Programming
20MCA22C4	Industry Internship Report/Project Report

Foundation Elective (O)
To be Chosen from the pool of Foundation Electives provided by the University

Second Year

Semester: Third

21MCA23C1	Data mining & Big Data Analytics
21MCA23C2	Artificial Intelligence & Computational Intelligence
21MCA23C3	Android Mobile Application Development
Elective-I	
21MCA23DA1	Computer Vision
21MCA23DA2	Software Testing & Quality Assurance
21MCA23DA3	Mixed Reality & Wearable Computing
Elective-II	
21MCA23DB1	Network Programming
21MCA23DB2	Natural Language Processing & Speech Recognition
21MCA23DB3	Bioinformatics Computing
21MCA23CL1	Software Lab-5
	I. Big Data Analytics
	II. Android Mobile App Development
21MCA23CL2	Software Lab-6
	I. Artificial Intelligence
	II. Elective-I and Elective-II

Open Elective (O)
To be chosen from the pool of Open Electives provided by the University.

Semester: Fourth

21MCA24C1	Advance Software Engineering
21MCA24C2	IoT & Sensor Networks
21MCA24C3	Web Development Using .NET Framework
Elective-I	
21MCA24DA1/	Cyber Security & Blockchain Technology
21MCA24DA2/	Edge and Fog Computing
21MCA24DA3/	High Speed Networks
Elective-II	
21MCA24DB1/	Machine Learning & Python Programming
21MCA24DB2/	Web Development Using PHP
21MCA24DB3/	Neural Networks & Deep Learning
21MCA24CL1	Software Lab-7
	I. Advance SE
	II. IoT and Elective-II
21MCA24CL2	Software Lab-8
	I. Web Development Using .NET
	II. Elective-I
21MCA24C4	Industry Internship Report/Project Report

CPC Corporate Placement Centre

I LOOK AHEAD
ESTD:1995
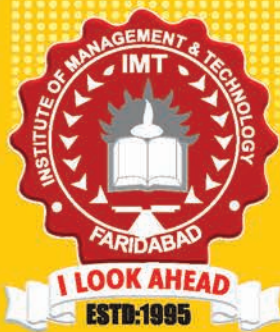

Bridge between you & your First Job

The Corporate Placement Centre (CPC) at IMT is an initiative which continuously strives to fulfill the changing socioeconomic scenario of the country in which new areas of specialization and job opportunities are rapidly emerging. CPC progressively enhances the synergy between the institution and industry and also strictly safeguards as well as controls the quality of services being offered to the industry and businesses at large, while ensuring the highest quality training, internship and placement opportunities to the budding managers and the technocrats. These relations are further consolidated through Guest Lectures, Academic Activities and Campus Placement. The CPC corresponds with the prospective Recruiters, arranges Pre-placement talks and workshops as well as provides all the facilities required by the visiting companies.

Testimonials

Colonel (Dr) Atul Kumar, PSC (Retired)
Director Technology Deloitte India
M.Sc, MCA, MBA (Supply Chain Mgt), MBA (Fin. & HR), MBA (Gen. Mgt), Ph.D

During my service in Army I decided to take a sabbatical and pursue MBA from a quality institute with a view to enable me with skills set for a 2nd career. I'm glad I chose IMT Faridabad after a warm and enriching conversation with Dr Ravi Handa. Those were two of the most satisfying and fun years of my life and I made lifelong friends both with my peers and my professors. The faculty is is outstanding, facilities are great and the whole environment is conducive for knowledge gain in a relaxed efficient manner. All my batch mates are doing very well with excellent placements. I wish the institute all the best for a glorious future.

Monika Marwah
University Hiring leader-APJ

I wish to take this moment to thank IMT University for helping me have a strong base to my career growth. Learning concepts from building confidence by participating in events throughout my degree, helped me take up my bigger responsibilities with ease. Wishing IMTians a bright future ahead and thanks to entire group for shaping my positive future skills.

Navneet Kumar Ahluwalia
Head HR, Fujifilm India Pvt. Ltd.

An institution which promotes an atmosphere full of learning and more importantly encouraging students to explore and bring out their creativity from within. It's always a pleasure to be a part of such progressive institution.

Praveen Sharma
Assistant Manager, Tata Consumer Products Limited.

I, Parveen Sharma wish to express my gratitude towards my College, Institute of Management and Technology for grooming me to become a professional. My course has not only helped me to gain the practical knowledge related to Sales stream but it has also enhance my managerial skill set. Further I would like to extend my gratitude's towards all the faculties for their valuable guidance and support throughout my academics.

Col. Maneesh Puri

It is a matter of great pride and honour to have studied MBA (HR and Marketing) from IMT , Faridabad. The institution is a centre of repute and a perfect place to learn and improve skill sets. The Principal, Head of Department and entire faculty are extremely positive and co-operative and spend extra time and effort to ensure that each student is addressed and looked after adequately. The faculty members are very student friendly and approachable. Faculty members make sure that all the sessions are interactive and interesting. They use a lot of case studies, discussions, role plays and many more innovative methods to generate interest in learning. The college also organizes industrial visits, guest lectures, conferences and conclave to give hands on experience to students. The college also has a very well stocked library, IT Lab, Club activities, extracurricular activities and enthusiastically organizes college festivals and functions. Having taken on studies of civil subjects after nearly 20 years. I could perform exceeding well in the course, solely because of whole hearted support of the faculty. I wish the institute all the best for the future and may the institute continue to spread the light of knowledge as hitherto fore. God speed and good luck.

Harish Verma
Sr. Software Engineer, CL Technologies, Noida

"It's really appreciable to be a part of a reputable educational institution like IMT Faridabad where teachers don't treat you as their duties but responsibilities. Also, the institute infrastructure, computer labs and library are up to the benchmark. Overall, it has been a totally enriching experience academically for achieving a successful career and an amazing future."

Amit Majumdar
Consultant, Organization: Deloitte Consulting USI

"Institute of Management & Technology, Faridabad, one of the oldest establishments, has the finest teaching faculty in Delhi NCR, always encouraging to achieve our true potential. No matter the background they help you throughout. Like I did my graduation in Physics, but I was able to give my best due to the help I got from my professors. The college also helped me in my placements. They sourced me to an interview, which I cleared, and started my career in the last semester of MCA itself."

Ajay
Information System Specialist, Collins Aerospace Pvt. Ltd. IGIA, Terminal-3

"My life at Institute of Management & Technology, Faridabad made me stronger and provided me a great platform to excel in my career. Various workshops and sessions held in the campus improved my technical as well as interpersonal skills. I am extremely grateful to all the faculty members and administration for their unending dedication, support and motivation so as to ensure a bright and prosperous future for us. Overall, IMT Faridabad has not only helped me grow career wise but has also given me those priceless values and memories that I will cherish for life."

Nikhil
Assistant Systems Engineer, Organization: TCS

Being at IMT Faridabad has always been and will always be a truly invaluable learning experience for me. The college regularly organizes workshops and aptitude enhancement lectures to help students acquire technical and interpersonal skills. This has helped me immensely progress in my career. The college infrastructure also provided me a comfortable environment to aim for success. I would like to thank all the faculty members at IMT for guiding me in all the possible ways and enriching my skill set to help me become a successful individual in my career and life."

IMT Internal Quality Assurance Cell (IQAC)

The establishment of **Internal Quality Assurance Cell (IQAC)** by accredited institutions (after the first cycle) is a major step in pushing long-term quality standards. IQAC at IMT plays a significant role as an administrative body which is responsible for all quality matters. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions.

We at IMT promote and determine quality related activities and issues through various programmes and activities such as seminars, workshops, symposia, conferences, panel discussions, role playing exercises, (model) demonstrations, case studies, academic meetings and any such other kind of event or programme for all the stakeholders of the institute. IMT IQAC in maintaining quality standards in teaching, learning and evaluation too.

International Journal

We at IMT mooted the idea of starting a **Magazine** in the **year 1999, Vision Beyond**, in joint efforts of the students, alumni, corporate delegates & a core group of faculty members. Then in the year 2011, the Institute launched its **International Journal VIJ Vision International Journal ISSN 2231-3311**.

VIJ: Vision International Journal, represents the culmination of efforts from many people who believe that management and computing education publication deserves proper exposure and recognition. Our desire is to make the Journal not only attractive but also informative to all the members. Till date six Issues have been released and circulated in all the parts of the Indian sub-continent and Internationally also to **University of Nottingham, Malaysia; Presidency University Bangladesh; Curtin University Australia; University of Central Arkansas, Conway USA**, University of Dammam, **Saudi Arabia**, Monash University, Perth, **Australia and many others**.

National & International Conferences

Since its inception in 1995, the Institute has organised many conferences both National as well as International. In the year 2010 to strengthen quality of technical education, the Institute organised **International Conference** on Business Intelligence - An Alignment of IT and Management on **09th April, 2011**. Thereby in the year 2012, International Conference on Innovations in

Management & IT ICIMIT 2012: was organized. Following year witnessed the **International Conference on Reinventing Thinking Beyond Boundaries to Excel**, which aimed at facilitating a new message that is an essential part of the work and something to help transform individuals, teams, organizations, economy & society; create a thrivable work culture leading to achieve the 'Impossible'. The papers for publication in the **Book** titled Conference Proceedings **"International Conference on Reinventing Thinking Beyond Boundaries to Excel"**, bearing **ISBN 978-93-5104-880-0**, was released at the conference after a thorough and strict approval by the National & International Review Board.

In the year 2017, we organized **"International Conference on A Journey Towards Platinum Era- Vision Rainbow Power of India" (ICPVRPI 2017)**, on **07th & 08th April, 2017** which focused on the vision and dream of our Honorable Prime Minister of developing **RAINBOW POWER OF INDIA** that will become the pivot of most initiatives in the lead to the year 2022.

In all the conferences we received massive participation from **all over India such as Delhi, Mumbai, Kolkatta, Sonepat, Panipat, Gurgaon, Jallandhar, Aligarh, Roorkee, Greater Noida, Mathura, Kashmir, Nagpur, Allahabad, Jodhpur, Dehradun, Ranchi, Lucknow, Assam, Bangalore, Hyderabad, Chennai, Trichy and International participation from: Canada, Australia, New York, Bangladesh, Mexico and many others**. Exceptional papers were recommended for submission to the Vision International Journal (ISSN 2231-3311).

IMT Annual Convocation

The Annual Convocation was graced by Smt. Meira Kumar, as Chief Guest, at NCUI, Khel Gaon Marg, New Delhi. A gathering of around 355-425 Graduands, Guests and people from media and press were present.

Industry Academia Convergence

Stressing the need for greater convergence of industry and academia, the RDC Cell of IMT Faridabad, aims at organizing varied series of lectures, workshops etc., for the enrichment and development of the students on a regular basis. The aim of this initiative is to highlight the areas where action can be initiated in education sector, social sector and corporate sector for effective orientation to Responsible Management Education and Practice.

IMT
FARIDABAD

CELEBRATING
1995 **26** 2021
ANNIVERSARY

IMT Alumni Cell

Since our inception in 1995, we are absolutely determined to ensure the continuity of the education of our students in these new circumstances and it has been heartening to see the energy and commitment of everyone involved in the rapid shift to online teaching and assessment. There will be some bumps along the road, of course, but everyone is ensuring as smooth a transition as possible and to support our students, whatever their needs.

The more rooted we are in our faith, relationships, values, etc., the stronger we grow in life. In-fact, our family and alma mater are the fertile fields which act as the scaffolding to help us realize our dreams.

The strides made by our Institute since past 26 years, the accolades received, and its illustrious journey in the future, are possible due to the dynamic students. Every student who has walked into this portal of learning has left an indelible mark in its history by his/her attitude, commitment for social development and holistic excellence. The alumni of our Institute are the strong force in building our nation.

In an effort to foster and develop pride, prestige, and partnership among alumni, students, and community and to promote the value of education as well as a legacy for Institute of Management & Technology, Faridabad, has incepted an Alumni Association, in which we do not to exclude people but we want to include each and every one who has a connection to our Institute! All graduates, parents of graduates, and former staff members are welcome to join the Alumni Association.

The objectives of the Alumni Association are:

❖ To communicate on regular basis with the members of the Alumni and to keep mutually informed the developments of the Alumni as well as the Institute.

❖ To foster more extended relationships between present students and staff and others associated with the Institute.

❖ To organize, social, educational and networking events locally at the Institute.

❖ To encourage Alumni to act ambassadors of the Institute and assist in the further development.

❖ Generate funds for the development and betterment of the University and also for the promotion of the objectives of the association.

❖ To provide continuing education enrichment experience for alumni and present students of the IMT.

IMT Social Cell
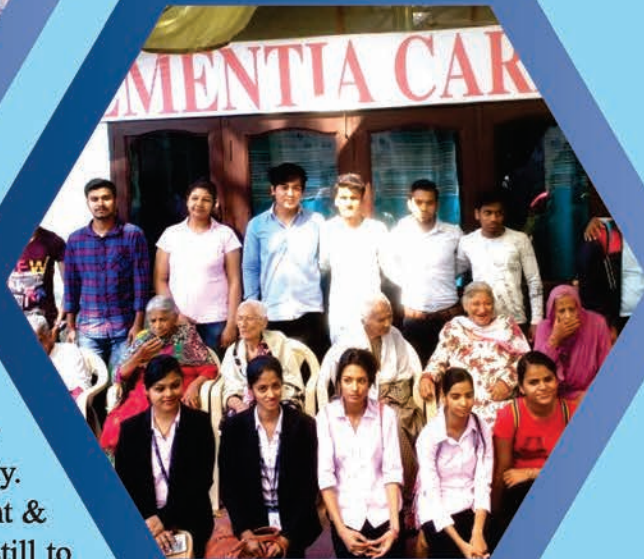

The Institute of Management & Technology is one of the most active B-School, when it comes to CSR activities. There is a conscious effort to encourage the students to take responsibility and initiatives in the social sector for the growth, development and upliftment of the society. It is with the passion and commitment of its student & faculty volunteers which continuously strive to instill to impart a sense of purpose, empathy, network building and compassion towards the society at large. In this regard, the social cell at IMT organizes various events which have the objectives to help in the education of children from poor sections of the society. It also fosters to give them guidance and inculcate moral values amongst them. Each of our activities and events encourage everyone to come forward with activities such as Scholarship Programmes for the Village students, Blood donation Camps, Visit to Old-age Homes, Tree Plantation, etc.

IMT Admission Cell

College admission is the process through which students enter tertiary education at Universities and College level. David Bly quoted, "Striving for success without hard work is like trying to harvest where you have not planted."

Going to college and prepping for the "real world" is not easy. Dealing with grades, learning, dealing with financial issues, pressure from our social networks and parents, and facing the big question: "What should I do with my life". To answer these and resolve the complex issues of a student, we at IMT are providing varied opportunities to explore their interests and initiate new ideas. We are diligently working to provide a reservoir of knowledge, wisdom and ethical & professional values.

To achieve this, we are providing the following courses:

MBA- MCA : 2 Years
(Approved by AICTE & Affiliated to Maharshi Dayanand University, Rohtak)

MBA Graduation from any discipline with minimum of 50% marks from a recognized university.

MCA Passed BCA/B.Sc (Hons.) Computer Science / B.E. or B. Tech. (CSE/IT)/B.Voc. (Software Development/IT) or an equivalent degree with having alteast 50% marks (45% for SC/ST candidates of Haryana only) in aggregate OR Passed B.Sc./B.Com./B.A. with Mathematics at 10+2 level or at Graduation level with having atleast 50% marks (45% for SC/ST candidates of Haryana only) in aggregate, along with the students admitted with this eligibility will have to simultaneously undertake additional *bridge course as prescribed by the University during first semester.

Note : *It is compulsory for each students to pass out bridge course (three additional theory papers and one practical as prescribed in scheme of examination of bridge course) as per University norms during the 1st year of MCA-2 year program. However, these papers under bridge course will be taught only in the 1st semester of the program.

Admission Process : Through Group Discussion, Personal Interview   **Entrance Exam:** CAT/MAT

BBA, BCA & BBA (CAM) : 3 YEARS
(Affiliated to Maharshi Dayanand University, Rohtak)

Senior Secondary Examinations (10+2) of Board of School Education Haryana, Bhiwani with 45% marks in aggregate or an equivalent examination recognised by this University.

OR

Three years Diploma Course conducted by State Board of Technical Education or any other examination recognized by the State Board of Technical Education as equivalent thereto.

BBA & BBA (CAM)
Lateral Entry
(10% Seats of sanctioned intake)
Candidates who have passed Diploma in Business Management or an equivalent examination approved by the State Board of Technical Education, Haryana with atleast 45% marks in aggregate.

Fees: Tuition Fee plus Development Fee plus others as declared by the State Government and Institute from time to time.

Admission Criteria   **AS PER AICTE/STATE GOVERNMENT NORMS**

7 Reasons to join IMT, Faridabad
- Oldest Institute of Haryana with Highly Qualified (Ph.D, IIM Alumni, FCWAI, CA), experienced and dedicated faculty members with rich experience in Industry and Academia.
- 100% Placement Assistance. Strong industry interface internship and career planning.
- Fully wi-fi enabled campus and latest equipped software computer lab.
- Interactive grooming sessions by industry experts.
- Strategically Located, easy accessibility. Just 2.5 km from NH2 (Old Faridabad), Railway Station and Metro Station. Transportation facility available from all corners of the city.
- Book bank facility
- Hostel facility.
